

HAVE YOU DOWNLOADED TAXPASS YET?

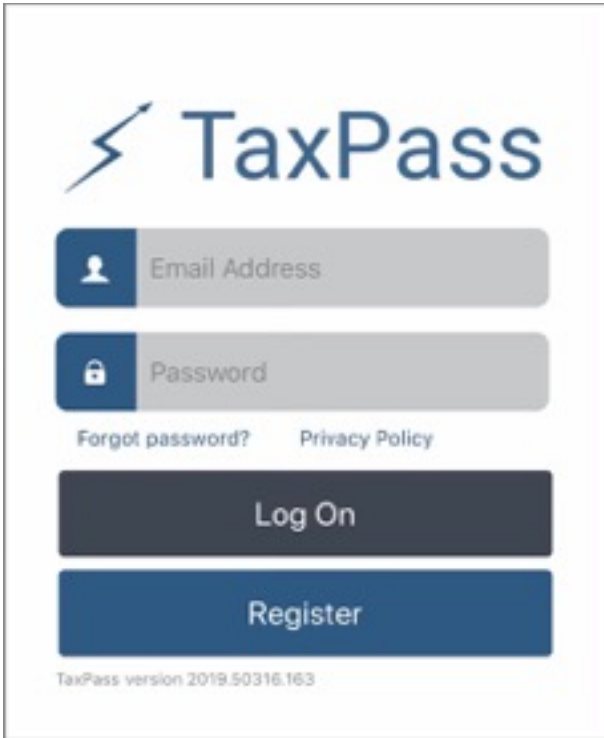

TaxPass is a new smartphone app downloadable for Android and IOS users. With it, you can:

- Start your tax return
- Share documents with us (your tax preparers)
- Submit your signature remotely
- Send/receive messages to and from your tax preparer securely
- Check the status of your return
- Check the status of your refund
- And so much more...here's what it looks like:

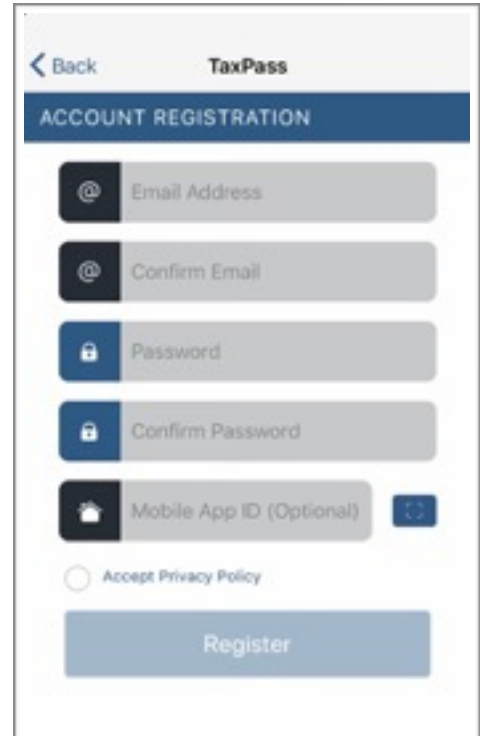

So How Do You Use It?

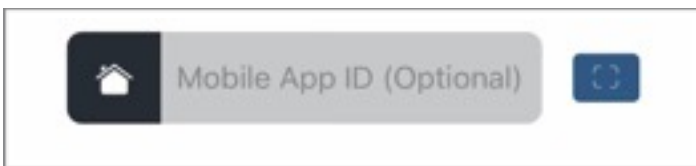

Simply look for the **TaxPass** app in your app store and download it. Once you do so, you will see the following:

Register and create a new account. Input all the info it asks of you, including your email address.

Be sure and click on the area marked Mobile App ID and scan the QR Code shown below and then follow all the prompts:
